

THE NEW YORK STATE EDUCATION DEPARTMENT

Office of Special Education

ANNOUNCEMENT

The New York State Education Department's Office of Special Education (OSE) is pleased to announce that INCLUDEnyc has been awarded the Bronx Early Childhood Family and Community Engagement (FACE) Center contract as part of the OSE Educational Partnership. The OSE Educational Partnership is a structure in which a community of practitioners will work collaboratively to support students, families, and educational organizations.

The Early Childhood FACE Center will work within the region to provide technical assistance and professional development that will promote meaningful family involvement within the educational system, build collaborative community relationships, and provide information and training about available service options and delivery systems for children from birth to age five. Families of children from birth to age five can use the resource and referral services provided by the Early Childhood FACE Center. The Early Childhood FACE Center serving your region can be reached at:
